On Wednesday 11th July we held our school cross country. The course was 3.7km and marked out within the Glen Eden area. The weather was perfect and over 900 students participated. The top 20 runners in each year group represented GEIS at the Waitakere zone champs. Points were awarded to every student who participated and bonus points were awarded to the first 20 runners in each year group.

WAITAKERE ZONE:

The Waitakere zone cross country champs were held at Moire Park—Massey. The course had been extended this year and it proved to be quite challenging for all our students. GEIS had been training for 4 weeks in preparation for this competition, so they were well prepared for the challenge that laid ahead. The first 8 runners in each school group were counted and their placings added up to give them a total score.

Waitakere Zone Final Placings:

GEIS Year 7 Girls	-	1st place
GEIS Year 7 Boys	-	2nd place
GEIS Year 8 Girls	-	1st place
GEIS Year 8 Boys	-	1st place

All our teams qualified for the Auckland Champs!

AUCKLAND CHAMPS:

The Auckland Champs were held at the Pukekohe A&P showgrounds, this course is probably one of the toughest that intermediate students compete at. Our year 7 girls proved to be very strong and showed all the other Auckland intermediate schools who was the best and they placed 1st overall. This is the first time in over 6 years that Glen Eden has placed first in the team event.
