2011 BOYS FOOTBALL

Our GEIS AIMS boys football team had an amazing time in Tauranga. It was a tough competition and we had to work really hard in every game because every team was there for the same reason, to win gold.

We were in a tough pool with Northcross being the hot favourites to win. We went through our pool play games with mixed results, our hardest game was going to be against Northcross. Even though we lost, it was probably the best game of football that we played. It was a narrow loss and Northcross congratulated us on our awesome game.

We made it through to the semi finals and then we were hit with injuries left, right and centre. We lost the semi final to Cobham intermediate from Christchurch. We played off for 3rd and 4th and we narrowly lost that game. GEIS was placed 4th in New Zealand for 2011. We are proud of what we achieved at NZAIMS this year. Thank you to Michael Norris and Grant Foster for coaching us. We couldn't have survived if it wasn't for our managers, Graham Stewart and Anna Barnaby and our referee Michael Barnaby. Thank you to Glen Wannan for also coming down for parent support.
