

GLEN EDEN INTERMEDIATE

Sports Camp 2: 2011

Gladiators & Warriors

'Students Voice'

We've started off well, making progress, he goes for the jump and he.....ooohhhh! Ouch!! He's fallen, but he gets right back up and gets straight back into it again.
This is what sports camp is all about. Team work and having fun. But it also really helps when you win. This year's sports camp 2 won and when that 1st place was called on the microphone, every single Glen Eden teacher, student and parents hearts leaped with happiness. It's competitive, touch and you never get a relaxing moment, except for the time that you go to sleep between 11.00pm and 6.00am. Even though Ms Va'ai and Mrs Wilkinson push you to your limits, I can guarantee you that it's a sporty intermediate kid's heaven.

At the beginning of the year I trialed for sports camp. It was a long and agonising wait to hear if we made it in or not. I finally found out I wasn't in. I was disappointed that I didn't make either of the sports camp 1 or 2. But, I kept my hopes up and tried as hard as I could to improve my soccer skills. The following term when sports camp was approaching, another school pulled out of the competition and Glen Eden had an opportunity to replace that team, making another sports camp team. After that a list went up and fortunately I was in the team. I was very happy I got another chance.

We were the "WARRIORS".
We had a few trainings and before I knew it I was packing my bags ready for an awesome week away full of sports and some I had never played before.
Renee Booth - Year 8: rm1

Sports camp was the best! I had so much fun and we got to make new friends with our own team mates and we were getting to meet new people and make new friends from other schools. It was such an amazing experience. Sports camp was also the hardest sports competition I've ever been to. The other schools were so competitive and even our other team the Warriors were so competitive against us. Sports camp was the best experience for me in my life and I never forget it. Our meetings were so funny and Ms Va'ai would always give us these touching speeches. I loved sports camp!
