SPECIAL THANKS

After a busy and exciting year, we have finally come to the end of our 2011 school year. Our sporting competitions started way back in February and on the 8th December we had our final zone day.

Glen Eden Intermediate is leading the way in Waitakere Intermediate schools sport. We have had a very successful year both at the Waitakere zone and Auckland Champs events. Our school has competed in regional and national competitions which is always a fantastic experience for our students, teachers, parents and supporters.

I would like to take this opportunity to thank the students who have represented our school in the wide variety of sports that the school has had to offer. Your determination and desire to learn and improve on new skills taught has been a driving force in our school's success at many different levels this year.
