Glen Eden Intermediate School

"A dream school where everybody loves to learn"

Glen Eden Intermediate School strives 'to be a dream school where everybody loves to learn.' We are situated at the foot of the Waitakere Ranges of Titirangi in Auckland, New Zealand and are internationally renowned as one of the top Intermediate Schools in New Zealand. We cater for boys and girls aged between 11 and 13 years.

Professional and highly educated families support our community. This is a great place in the world to study English.

A quote from one of our International students:

"I have studied at GEIS for a little over one year and in that time my English has improved so much. I love it here and feel just like a "Kiwi" student. I have been encouraged by my teachers to "have a go" at so much. Currently I am a School Council Representative, member of our daily Television Station production team, I am in a Netball team and also the School Orchestra. Students at GEIS are so friendly. They encourage the International Students and are very helpful."

We are proud about our Cultural Exchanges between countries and encourage students from our school to embrace all cultures.

Students are encouraged to take risks in a supportive, caring environment. Glen Eden Intermediate School has a long history of International Students.
