Disciplinary Policy
(Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.

3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.

4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.

5. The Student and the Parents will have an opportunity to provide a response to the alleged breach that the School is investigating **(the Allegation)** and any proposed disciplinary action that the School is considering taking **(the Proposed Action)**.

6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.

7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student and the Parents with the following:

   (a) a written summary of the Allegation or the Proposed Action;

   (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;

   (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;

   (d) an opportunity to hear from the Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;

   (d) an opportunity to have an independent support person of the Parents choice present at any meeting relating to the disciplinary process;

   (e) an opportunity to meet with that support person in private at any stage during the disciplinary process;

   (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Parents considers that a language barrier means that a translator is required; and

   (g) a copy of this policy setting out the rights which the Student and the Parents have when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student and the Parents of the Allegation and will provide them with an opportunity to give a response.

10. Where appropriate, having regard to the seriousness of the Allegation, the Parents and the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Parents. The School will receive this response and give it genuine consideration before making a decision about the Allegation.

11. When the School makes a decision about the Allegation it will advise the Student and Parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and Parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and Parents with an opportunity to give a response.

13. Where appropriate, having regard to the seriousness of the breach, the Student and Parent will have the opportunity to respond either in person or in writing or both, at the choice of the Parents. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.

NZQA Education Code of Practice for International Students

GEIS has agreed to observe and be bound by The Education (Pastoral Care of International Students) Code of Practice 2016. The link to the Code is http://www.nzqa.govt.nz. You are encouraged to read the Code, which is available on the NZQA website in several languages.

If there are concerns about a student, under the terms of the Code, the Director of International Students should be contacted in the first instance so that the school's Grievance procedures can be implemented. If you feel your problem is not being solved you can contact the New Zealand Qualifications Authority (NZQA) Phone 0800 697 296 or qadrisk@nzqa.govt.nz. If it is a financial or contractual dispute, you can contact iStudent Complaints: www.istudent.org.nz or 0800 00 66 75. Please note you must be able to show them that you have tried to get the school to act before you contact them. They will consult the school to see if anything can be done to help you.

Immigration: Full details of Immigration requirements, advice on rights to employment in NZ while studying, and reporting requirements are available through the NZ Immigration Service and can be viewed on their website at http://www.immigration.govt.nz

Eligibility for Health Services: Most International Students are not entitled to publicly funded health services while in NZ. If you receive medical treatment during your visit, you may be liable for the full costs of the treatment. Full details on publicly funded health services are available through the Ministry of Health and can be viewed on their website at http://www.moh.govt.nz. The Accident Compensation Corporation provides accident insurance for all NZ citizens, residents, and temporary visitors to NZ, but you may still be liable for all other medical related costs. Further information can be viewed on the ACC website at http://www.acc.co.nz

Medical & Travel Insurance: It is a requirement that all International Students must have appropriate & current medical and travel insurance while studying in NZ. Students can either have cover arranged by GEIS through Southern Cross or insurance cover from another company that meets the Code requirement. This must be provided in English.
